Reason for Waiver/Appeal Denial:

FCC Form 471 filing window deadline where petitioners failed to present special circumstances justifying waiver of FCC rules. ¹

_

¹ FCC Notification Oct31

CERTIFICATION DATE: 06/12/2018

Rationale for Request

Detroit Public Library attempted to file 2018 Form 471 during the E-rate filling window, but was unsuccessful as a result of EPC system errors. These errors were reported to USAC customer service but were not resolved until the filing window was closed. On June 12, 2018, upon resolution of EPC errors, DPL submitted FCC Form 471 #181039871² and subsequently filed an appeal for a waiver with number 20180614863809427³.

Process that Led to the Error

Detroit Public Schools (DPS) changed their name and entity number in USAC EPC without notifying Detroit Public Library prior to the Form 471 filing window. This affected all entities associated with the school district. As a result of this change, Detroit Public Library had no assigned school district within the USAC EPC system. Without this information, the system created an error on any attempt to complete Form 471. The error message did not indicate the cause.

Please note that DPL successfully filed the corresponding USAC Form 470 within the required Form 470 window without any issues. When the change was made by DPS, and DPL was not notified, USAC EPC no longer recognized DPS as a related entity for DPL.

Circumstances to Consider

Prior to March 22, 2018, Detroit Public Library made several attempts to file 2018 USAC Form 471 but was unsuccessful.

Filing attempts on March 22, 2018

- At 2:48 p.m., DPL made attempt to file form 471 number 181039562 with identifier DPL_471_2018_IA. This attempt failed as a result of USAC EPC error ("Error Evaluating UI Expression") ⁴
- At 3:16 p.m., DPL made attempt to file form 471 number 181039715 with identifier DPL_471_2018_IA_Merit. This attempt failed as a result of USAC EPC error ("Error Evaluating UI Expression") ³
- At 3:41 p.m., DPL made attempt to file form 471 number 181039871 with identifier DPL_471_2018_IABF. This attempt failed as a result of USCA EPC error ("No related entities error")
- At 3:44 p.m., DPL called CSB and spoke to Shelly Rodger. Case number 231519 was assigned ⁵
- At 9:37 p.m., DPL made attempt to file form 471 number 181041407 with identifier DPL_471_2018_IABF_Merit. This attempt failed as a result of USCA EPC error ("Error Evaluating UI Expression") ⁶

⁵ DPL USAC Case #231519 471 error

⁶ DPL 471 2018 Error Evaluating UI Expression

Timeline of phone calls to CSB on March 22, 2018

- At 9:43 p.m., DPL contacted CSB and spoke to Sarah Hickey. Case number 231761 was assigned ⁷
- At 10:39 p.m., DPL contacted CSB again to report that the move to another school district
 was not working and DPL was still not able to complete the 471 application. DPL was told
 that issue was being escalated. ⁶
- At 11:20 p.m., DPL contacted CSB again to check on the status of the escalation.
- At 11:49 p.m., CSB called back DPL, stating that issue is actively being worked on and that issue has been moved to USAC system engineers ⁶
- At 12:10 a.m., CSB noted that the window was now closed and that they will continue to work on resolving the issue but noted on the case the steps for filing FCC Waiver/Appeal

Subsequent Communications with USAC

- On March 28, 2018, USAC engineer, Ehtasham Ejaz, contacted DPL that the issue was resolved but a quick check showed that it was not resolved ⁸
- USAC Systems Engineers continued to work on this issue and DPL was told that we
 would be notified once the issue was resolved
- On May 31, 2018, USAC Program Analyst, LaTia Cook, emailed me to let me know that she was assigned to work on the issue. In her email, she wanted me to confirm whether BEN # 130944 – DETROIT PUBLIC SCHOOLS COMMUNITY DISTRICT is an actual ESA school district and identify the actual school district DPL is located in. 9
- After several back and forth emails, this issue was finally resolved on June 12, 2018 and then our USAC Form 471 #181039871 was filed.

The evidence presented above shows the late filed application was not the fault of Detroit Public Library, but due to the cumbersome, inflexible web portal and the requirement that libraries, for purposes of filing, must be associated with school districts in their service area. The fact that a library cannot manage the information pertinent to its viable USAC application is highly problematic.

The Detroit Public Library serves Detroit and the surrounding community in Wayne County, Michigan. Detroit is a fiscally depressed community with a population of approximately 665,965. The median household income in Detroit is \$28,099. Wayne County has a population of approximately 1,820,584 with a per capita income of \$22,125. The loss of \$794,554.27 will have a negative effect on the library services provided to the residents of Detroit. These will include, but are not limited to, all Internet based services, all literacy programs and all after school programs.

⁹ Email Communication

On behalf of the Detroit Public Library, I ask that a Request for Reconsideration of Waiver/Appeal be granted. By granting this Waiver/Appeal, the USAC could be directed to review DETROIT PUBLIC LIBRARY'S application for funding during the Funding Year 2018.

Please be advised that I have handled E-rate filing for the Detroit Public Library for more than 10 years, and have a great deal of experience in this process. This the only time I have encountered an error that prevented me from filing any application during the given window. I spent a significant amount of time on the phone trying to resolve a system error issue that was no fault of my own.

Your favorable consideration in this matter is greatly appreciated.

¹ See Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Section 54.719(b) of the Commission's rules provides that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Section 54.719(c) of the Commission's rules provides that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. 47 CFR § 54.719(b)-(c). In this Public Notice, we have reclassified as Requests for Waiver those appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review those appeals seeking a waiver of the Commission's rules but are actually seeking review of a USAC decision.

¹⁷ We find, based on the record before us, that Nex-Tech Inc. timely filed an FCC Form 474 service provider invoice (SPI) that was overlooked by USAC. The service provider, therefore, should be given the opportunity by USAC to refile its invoice on remand. In this instance, we waive any procedural deadlines, including the invoice deadline, that might be necessary to effectuate our ruling. See supra note 8.

¹⁸ We find, based on the record before us, that Caldwell Parish School District timely filed an invoice deadline extension request. Although the request did not include the specific funding request number (FRN), it contained enough specificity for USAC to determine what the filer wanted and to extend the invoice deadline, especially considering there was only one FRN that had not yet been processed. *See, e.g., Pasadena Unified School District, Schools and Libraries Universal Service Support Mechanism,* CC Docket No. 02-6, Order, 21 FCC Rcd 2116 (WCB 2006) (noting that while the burden of timely and accurately filing rests with the applicant, USAC retains an obligation to conduct a reasonable inquiry into the filings and materials that USAC itself has in its possession when making its determinations). In this instance, we waive any procedural deadlines, including the invoice deadline, that might be necessary to effectuate our ruling. *See supra* note 8.

¹⁹ See, e.g., Ada Public Library Order, 32 FCC Rcd at 1911, para. 6 (granting a waiver for applicants who were unable to file a BEAR form because they were waiting for USAC to provide an FCC Form 498 ID or personal identification number (PIN) at the time of the deadline).

²⁰ See, e.g., Requests for Review and/or Waiver of Decisions of the Universal Service Administrator by ABC Unified School District et al.; Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6, Order, 26 FCC Rcd 11019, para. 2 (WCB 2011) (waiving the filing deadline for petitioners that submitted their appeals to the Commission or USAC only a few days late). We make no finding on the underlying issues in this appeal and remand the application back to USAC for a determination on the merits. See supra note 8.

²¹ See, e.g., Buffalo City School District, Federal-State Joint Board on Universal Service, Changes to the Board of Directors of the National Exchange Carrier Association, Order, CC Docket Nos. 96-45 and 97-21, 17 FCC Rcd 11881, 11884, para. 8 (WCB 2002) (waiving the Commission's rules to allow an extension of the deadline for service implementation when applicants demonstrated they were unable to complete service delivery because of time limitations imposed by late-issued funding commitments).

Unable to timely File Awaiting USAC Action23

Annapolis Area Christian School et al., MD et al., Application No. 1018895 et al., Request for Waiver, CC Docket No. 02-6 (filed Feb. 8, 2017)

²² See Requests for Waiver of the Decisions of the Universal Service Administrator by Grants/Cibola County School District and Jemez Pueblo Tribal Consortium, CC Docket No. 02-6, Order, DA 18-1060, 4, para. 8 (WCB 2018) (waiving the special construction service delivery deadline because the applicant was unable to complete implementation for reasons beyond the service provider's control and the petitioner made good faith efforts to comply with Commission rules and procedures). Orange County Public Schools was unable to complete implementation for reasons beyond its control (i.e., inclement weather, permitting delays, and delayed funding disbursements) and made good faith efforts to comply with Commission rules and procedures (e.g., timely filing service delivery deadline extension requests with USAC). Accordingly, we waive the special construction service delivery deadline and direct USAC to set a new service delivery deadline of June 30, 2019 and adjust any associated administrative deadlines accordingly.

²³ We grant this appeal for Toledo Christian School, Application No. 1018971, which had an FCC Form 498 pending at the time of the invoice deadline. See, e.g., Ada Public Library Order, 32 FCC Rcd at 1911, para. 6 (granting a waiver for applicants who were unable to file a BEAR form because they were waiting for USAC to provide an FCC Form 498 ID or personal identification number (PIN) at the time of the deadline). However, we deny the rest of the requests for waiver filed together on Feb. 8, 2017. See, e.g., Requests for Waiver of Decisions of the Universal Service Administrator by Ada School District et al.; Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6, Order, 31 FCC Rcd 3834, 3835, para. 7 (WCB 2016) (denying requests for waiver of the Commission's invoice extension rule for petitioners that failed to demonstrate extraordinary circumstances justifying a waiver); see also Modernizing the E-rate Program for Schools and Libraries, WC Docket No. 13-184, Order and Further Notice of Proposed Rulemaking, 29 FCC Rcd 8870, 8966, para. 240 (2014) (establishing that it is generally not in the public interest to waive the Commission's invoicing rules absent extraordinary circumstances); 47 CFR § 54.514.

I certify that I and the entity(ies) I represent have complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There are signed contracts or other legally binding agreements covering all of the services listed on this FCC Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.

I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I acknowledge that I may be audited pursuant to participation in the schools and libraries program. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to USAC.

I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of the program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.

I certify that if any of the Funding Requests on this FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.

Notice

Section 54.504 of the Federal Communications Commission's rules requires all schools and libraries ordering services that are eligible for and seeking universal service discounts to submit an application for such discounts by filing this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator. 47 C.F.R. § 54.504. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended. 47 U.S.C. § 254. The FCC is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information you provide to determine whether approving your application for universal service discounts is in the public interest. If we believe there may be a violation or a potential violation of any applicable statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information in your application for universal service discounts may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, consistent with the Communications Act of 1934, FCC regulations and orders, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law, information provided in or submitted with this form or in response to subsequent inquiries may be disclosed to the public. If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized. If you do not provide the information we request on the form, the FCC or the Universal Service Administrator may delay processing of your application for universal service discounts or may return your application without action. The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq. Public reporting burden for this collection of information is estimated to average 4.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20554. We also will accept your comments via the email if you send them to PRA@FCC.gov. DO NOT SEND COMPLETED WORKSHEETS TO THESE ADDRESSES.

Request for Waiver: Detroit Public Library (DPL) is asking for a waiver for 2018 filing window. Application could not be filed in window for the reasons below:

Form 471 was filed outside of window due to EPC technical problems. **Explanation**: Multiple EPC system errors prevented Detroit Public Library from completing the 471 filing within the given window.

Background

Detroit Public Library made several attempts to file USAC 471 for 2018/2019 but was prevented by the system for multiple reasons. These issues were reported to technical support of USAC who acknowledged those to be system errors. Multiple cases were opened on this. The case numbers are: 231519, 231761 and 234052. These issues were later escalated to USAC system engineers but the error was not rectified until after the filing window was closed. We are asking for a waiver for our 471 application with number 181039871.

Summary of Appeal

After multiple attempts by March 22, 2018 to complete Detroit Public Library's 2018 Form 471, (Form 471 numbers: 181039715, 181041407, 181039871 and 181039562. See Attachment 1) DPL initiated a case with the technical support of USAC. The initial assigned case number was #231519. See Attachment 2.

On a follow-up on March 23, 2018, another case was opened for the same issue (Case number 231761. Please see Attachment 3). This time, the persistent error was an "Error Evaluating UI expression." See Attachment 1. We continued to experience these issues way past the March 28th update by USAC engineer.

DPL again followed up on this case and was informed that our issues had been escalated to USAC's systems engineers. Case number 234052 was assigned. See Attachment 4.

On June 11, 2018, DPL was notified by USAC's systems engineers that the issues were resolved. DPL subsequently completed the pending USAC Form 471 application #181039871.

Request

We ask that the Commission to grant us a waiver on our 2018 USAC Form 471 application with number 181039871 because of the EPC system error which prevented the Detroit Public Library from completing the process in the given window.

The inability to file our 2018 Form 471 was as result of USAC's EPC system error and no fault of Detroit Public Library. The denial of these funds will severely impact the library's finances and ability to deliver new technology services to our patrons.

We appreciate your time and consideration.

Sincerely,

(submitted electronically via ECFS)

Good Morning Victor,

My apologies for not being available. Today is an extremely busy day which is why I am emailing you. Can you please remind me again are your applications filed under both the consortia and the district in the same FY? For example both entities have a 2018 application or did they file as a district in 2017 and as a consortia in 2018?

Thanks.

Email Communication

Good Afternoon Victor,

The information provided in the previous email sent has not answered the question below? We still need to know whether 130944- DETROIT PUBLIC SCHOOLS COMMUNITY DISTRICT is an ESA School District or a regular school district?

We looked up consortia BEN 17006543 that you referenced below. I'm not sure what you mean by changed to a consortia, please specify. Per EPC, BEN #130944 - DETROIT PUBLIC SCHOOLS COMMUNITY DISTRICT is listed as a consortia member of BEN 17006543. This relationship doesn't have anything to do with BEN #130944 being listed as an ESA School District.

Thank you.

Hi LaTia

Thanks for reaching out to me on this. I reached out to the people at DPS and I was informed that this year they have an active 471 app under the BEN 17006543. This was also changed to a consortia. Detroit Public Library is still within the Detroit Public Schools district.

I also tried calling your office number earlier today. Many thanks for all the help.

Every person is either a creator of fact or a creature of circumstance. He either puts color into his environment, or, like a chameleon, takes color from his environment."

Email Communication

Good Afternoon Victor,

I am currently working with EJ to help resolve your 2018 window FCC Form 471 error. Can you confirm whether #130944 - DETROIT PUBLIC SCHOOLS COMMUNITY DISTRICT is an actual ESA school district and identify the actual school district you are located in?

Thank you.
